About Faith

Faith Nursery School has been serving the children of Syosset and the surrounding communities for over 50 years.

Our program offers children growth in creative expression, self-discipline, confidence and social skills, in a nurturing, loving environment.

Our small class size ensures ample opportunity for individual attention and achievement under the guidance and supervision of early childhood professionals.

At Faith Nursery School, your child will be safe and secure in a clean, healthy environment, surrounded by well-trained and carefully screened staff members, specially selected to care for your child. Our teachers' credentials far exceed industry standards.

Faith enjoys a long-standing reputation for preparing your child well for the transition to kindergarten—both from an educational and emotional perspective.

Faith Nursery School offers a variety of **Class Options** to accommodate your family's needs

Toddler Program (30 months and over)

Toddlers are explorers on the road to learning. Let us guide your child through experiences that will engage, excite and enrich them on a daily basis with hands-on activities.

In a safe and nurturing environment, your little adventurer will begin to feel comfortable separating from parents, make new friends and develop confidence in newfound abilities. We build brainpower through creative games and colorful stories, while helping your child acclimate to a more routine or structured setting.

3 Year Olds

Nursery school students spend their days exploring, sharing and learning. Your 3-year old will develop a sense of his or her independence and confidence in a setting that encourages a sense of community. At the same time, we help your young child adapt to routines.

We plan your child's activities based on a program grounded in early childhood fundamentals. Your child will increase their language ability, practice early counting skills and learn to cooperate with friends through group activities. They will take on greater physical challenges and begin to communicate more effectively with adults.

4 Year Olds (Pre-K)

Let us guide your young learner through the final stretch toward kindergarten. Four year olds can grasp simple math, verbally spell and print their first names, and participate in show and tell. They're eager to recall events from a story and describe details in a photo. We prepare children with lessons on letters and words, as well as math concepts and valuable social skills.

It's not all work and no play! At Faith, we ensure there's plenty of time for independent play, dance and music, as well as small and large group activities. Children also have free play opportunities to socialize and exercise their energetic bodies.

ABC - Jesus Loves Me - 123

At Faith Nursery School, all students will attend weekly chapel time and spend some time each day learning about God through child-friendly, age-appropriate stories and puppet shows.

- Music and Movement Classes!
- Library Time and Special Events!
- Seasonal Presentations!
